

ANTLEN GRAY

Mainground Music | IAMT | Redlof Records

Antlen Gray is a promising music project making waves in the underground scene. Drawing from his experiences in Australia, Mexico, and his home country, Chile, Antlen has developed a sound that blends bouncy grooves with the driving force of Techno. Every performance is crafted to keep the dancefloor alive. With a refined ear and a sharp sense of crowd energy, he adapts to any stage while staying true to his hypnotic and rolling style.

His music has earned support from internationally respected artists such as Bart Skills, Space 92, Popof, Joseph Capriati, Belocca, Marie Vaunt, Shay de Castro, and Roger Lavelle, among others. Shaped by the guidance of established industry mentors, Antlen Gray continues to push forward and stand out as one to watch in today's modern Techno landscape.
